MANAGEMENT DISCUSSION AND ANALYSIS

1. Industry Structure and Development

With the fast depleting fossil fuel and growing industry demand for the same, it is evident that non-conventional fuel is going to generate more demand. The binderless technology using recyclable agriculture waste is a boon to agriculture sector in general and rural economy in particular. Increased awareness for the pollution control and fiscal support by classification of the industry under the infrastructure sector, eligible for specific incentives, shall create atmosphere conducive to the use of alternate source of fuel.

2. Opportunities and Threats

The industry is showing healthy sign of growth. The unit being in the vicinity of the source of raw material supply and having access to the consumers around, there is scope for expansion of user base with the enhanced acceptability and convenience of use.

Raw material, being biomass, is mainly prone to vagaries of monsoon. Unpredictable movement in the seasonal cycle characterised by periodical drought and/or flood conditions has adverse impact on the consistency in production. Open storage of raw material for moisture evaporation is also subject to associated risks.

3. Productwise performance

Your Company operates only in one segment, i.e., making Bio-mass briquettes out of agriculture waste.

4. Outlook

Considering buoyancy in the Indian economy and expected growth in GDP, the outlook for the Indian Industry is very bright. Your Company is expected to maintain its growth rate both in terms of improvement in manufacturing techniques by use of economic alternatives and use of efficient raw material mix to match the availability and cost.

5. Risk and Concerns

Raw Material Price risk

Alternative and more productive use of agriculture waste and its demand in other sectors can have adverse impact on the fixed price mechanism prevalent in the area together with bad monsoon characterised by lesser agriculture production and change in product preferences by the farmers. Organisation and education of producing farmers can ensure availability of raw material at consistent price.

Storage Risk

Open sun drying for raw material and storage of finished product needs protection with preventive measures to safeguard its utility and the purpose. Storage for longer period of time also diminishes its utility and there being no other commercial uses, its realisable value in the market substantially drops.

6. Internal Control Systems

The Company's Internal Control systems are regularly reviewed by the Internal Auditors, Statutory Auditors and the Audit Committee. The Internal Audit is done on quarterly basis and the observations of the Auditors are discussed in the Audit Committee meetings and follow up action is taken wherever required.

7. Financial performance with respect to operational performance

With the change in management and for re-design of the production routines to secure enhanced operational convenience, the production, which is at halt since, 01.08.2005, is scheduled to commence on its result oriented alignment. To ensure enduring potential, growth strategy is under consideration. Ploughed back resources are being used to match the need of the recent developments.

8. Human Resources and Industrial Relations

With the infusion of professional and pragmatic vision, labour policy is being planned to ensure retention of skill after new recruitments.

Cautionary Statement

This report contains forward looking statement, which may be identified by their use of words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates' or otherwise words of similar meaning. ANNEXTURE TO THE DIRECTORS' REPORT

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To the Members of ALPHA HI-TECH FUEL LIMITED

We have examined the compliance of conditions of corporate governance by ALPHA HI-TECH FUEL LIMITED for the year ended on 31st March, 2013 as stipulated in Clause 49 of the Listing Agreement of the said Company with the stock exchanges.

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the abovementioned Listing Agreements subject to the following :

- *The Company has not paid annual listing fees to the Stock Exchange, Ahmedabad for 15 years and that to the Saurashtra and Kutchh Stock Exchange Ltd., Rajkot for 10 years.*

We state that no investor grievances are pending for a period exceeding one month against the Company as per the records maintained by the Shareholders'/investors' Grievance Committee.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

AUDITORS' REPORT

To the members of **ALPHA HI-TECH FUEL LTD.**

Report on the Financial Statements

We have audited the accompanying financial statements of **ALPHA HI-TECH FUEL LTD.** ("the Company"), which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 "the Act". This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) in the case of the Statement of Profit and Loss, of the profit/ loss for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Notes forming part of financial statement.

1. Significant Accounting Policies adopted

(a) Basis of Accounting

The accounts have been prepared on the basis of historical costs and in accordance with applicable accounting standards except where otherwise stated. For recognition of profits and losses, mercantile system of accounting is followed, except certain expenditure and income which are accounted for on its ascertainment or on cash basis, where it is not possible to ascertain, with reasonable certainty, their quantum of accruals.

(b) Fixed Assets

Fixed Assets are stated at cost less depreciation. Cost comprises of the purchase price and any attributable cost of bringing the assets to working condition for its intended use. Expenditure for additions, improvements and renewals are capitalised and expenditure for maintenance and repairs are charged to the Profit and Loss Account. When assets are sold or discarded, their cost and accumulated depreciation is removed from the account and any gain or loss, resulting from their disposal, is included in the Profit and Loss Account.

(c) Depreciation

Depreciation is provided using the Straight Line Method at the rates and in the manner specified in Schedule XIV to the Companies Act, 1956. Depreciation is provided on new Plant and Machinery as and from the date it is put to its commercial use.

(d) Inventories

Inventories (other than Stores, Spares and Consumables and packing materials) are valued at lower of cost or estimated net realisable value. In the circumstances when the utility of goods is no longer as great as its cost, due to evaporation and loss of weight, valuation is done keeping in line with Accounting Standard AS-2 on *Valuation of Inventories* issued by The Institute of Chartered Accountants of India. The cost of inventories is arrived at on the following basis:

Raw materials	-	First in first out/annual average method.
WIP and finished goods	-	Average cost of last quarter's production/ average annual cost, computed on full absorption costing method. In case of similar items purchased and produced, valuation at the weighted average rate.

(e) Taxation

Deferred tax is recognised, subject to the consideration of prudence in respect of deferred tax assets, on timing difference, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Appropriate adjustments are made in reserves and surplus to provide for Deferred Tax Liability.

2. Contingent Liabilities

Disputed demand for Sales tax for the years 1996-97 to 2000-01 of ₹ 52,81,360 in terms of orders from the Sales tax Tribunal, Gujarat is decided in favour of the Company. Sales Tax Demand of ₹ 2,73,12,314/- plus interest is also disputed for the years 2002-03 to 2005-06 and appeals are lying to be decided. The Company has preferred appeals against the said orders after taking appropriate advise from the experts.

The Assistant Commissioner of Income-tax, Surendranagar has raised demands of ₹ 72,10,924 disallowing certain claims of deduction from Total Income against which the Company has preferred appeals with ITAT, Rajkot after counselling of the experts. Pending final disposal of the appealed demands, revenue authorities have preferred to attach the fixed and current assets of the Company.

Disputed demand of ₹ 26,19,909/- for A.Y. 2006-07 under the Income Tax Act is lying undecided with Appellate Tribunal, Mumbai.
