ANNEXURE

AN EXPLANATORY STATEMENT

pursuant to Section 102(1) of the Companies Act, 2013 relating to the Special Business to be transacted at the Annual General Meeting in respect of **SPECIAL BUSINESS** item no 5 forming part of notice.

Process of manufacturing operations for making briquettes from agriculture waste consists of usage of cutters for chopping of raw material which creates noise pollution. Hammer mill for grinding of chopped material creates high decibel level of noise. Separators and blower separate dust before feeding material into briquetting press which is prone to emission of fine dust particles in air. Compression involves friction in briquetting press with irritating noise.

In recent past surrounding area of the factory premises is densely inhabited with residences and public utility places. If the production activity of the Company is carried out at the current factory set up, resistance for the said disturbances from the neighboring agglomeration is possible.

Considering concerns of the Company for welfare of the local residents in the vicinity and their health, the Board is of the opinion that continuing to carry on manufacturing operations at the present locational set up is not justified. Since, the Company is committed to high standards of Corporate Social Responsibility, the option of shifting of the manufacturing set up to some other geographical location is commended.

The shifting process would involve:

- Physical dismantle and transport of plant and machinery;
- Acquisition and procurement of requisite latest and state of the art machineries and processes;
- Procurement of factory land with similar features of geographical location advantages;
- Disposal and sale of unused Land, Building, Plant and Machineries; and
- Execution of all other related and consequential procedures and requirements.

Necessity for the resolution: Special Resolution, seeking approval of the shareholders for sale of the Land belonging to the Company was unanimously passed at the Annual General Meeting of the Company held on 29th September, 2016. Improvement is, however, required in the drafting of the wordings of the resolution, Hence, this resolution at this AGM.

Consent of the shareholders is required to carry out the above.

2. RESERVES

During the year under review, your Company has not transferred any amount to any reserves.

3. PERFORMANCE AND AFFAIRS OF THE COMPANY

The performance and outlook of the Company have been discussed in the Management Discussion and Analysis Report, which is forming part of the Annual Report.

4. DIVIDEND

The Company has suffered losses during the year and hence, your Directors do not recommend any dividend.

5. CURRENT STATUS

During the year under review, the manufacturing and sales activities, as a loss mitigation initiative, are at halt due to major re-orientation of manufacturing and general administrative set up.

Production activities at the factory of the company are suspended since August 2005 as the management of the company has faced hardships dealing with the disproportionate demands of the workers. This is followed by high pitch assessment demands for several years from Sales Tax authorities and Income Tax Department. The said demands are disputed in appeals preferred against said orders. Witnessing harsh demand recovery procedures adopted by these revenue authorities and based on the advice of the experts, management preferred suspension of production activities as a loss mitigating initiative. Once, the issues are finally and fully settled in favour of the Company, the management shall suitably consider the issue of the suspended operations. The management is effectively pursuing the matters and is hopeful of favorable outcome in the near future.

There are substantial financial losses illustrating substantial erosion in net worth of the Company. However, Results have been prepared on a going concern basis. Strategic future plan is under consideration of the Board of Directors.

6. CHANGES IN NATURE OF BUSINESS AND REVISION IN THE BOARD'S REPORT

There is no change in the nature of business of the Company during the year. There is no revision made in the Board's Report and whatever submitted herewith is the final report.

7. REPORT ON PERFORMANCE OF SUBSIDIARIES, ASSOCIATES AND JOINT VENTURE COMPANIES

During the year under review, your Company did not have any subsidiary, associate and joint venture Company.

8. CORPORATE GOVERNANCE

Pursuant to Regulation 27(2) and Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Corporate Governance Report and Certificate regarding compliance of conditions of Corporate Governance form an integral part of this report and are set out as separate Annexure to this Report. In order to obviate duplication of information, some of the information required under the Board's Report has been captured in the Corporate Governance Report.

9. PUBLIC DEPOSITS

Your Company has not accepted any deposits within the meaning of Section 73 and 76 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 and amended rules thereafter. The question of non-compliance of the relevant provisions of the law relating to acceptance of deposit does not arise.

10. DIRECTORS AND KEY MANAGERIAL PERSONNEL

a. Directors

Mr. Uma Kant Shukla (DIN:06460235), and Mr. Subhash Nayak(DIN:00971329) have resigned w.e.f. 12/04/2019. The Board of Directors acknowledges deep sense of gratitude for the contribution to the activities of the Company during the tenure of the services of both the retiring Directors.

Ms. Kirti Shukla (DIN:08421393), and Mrs. Surekha Nayak(DIN:08421396) have joined the Board w.e.f. 12/04/2019.

There is no change in the composition of the Board of Directors except the above.

b. Key Managerial Personnel

The Company Secretary CS Chintan Doshi has resigned from his office w.e.f. 12/04/2019. The Board of Directors acknowledges deep sense of gratitude for the contribution to the activities of the Company during the tenure of the service of the retiring Company Secretary.

There is no change in the composition of Key Managerial Personnel except the above.

c. Declaration by Independent Director(s)

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Development

With the fast depleting fossil fuel and growing industry demand for the same, it is evident that non-conventional fuel is going to generate more demand. The binder less technology using recyclable agriculture waste is a boon to agriculture sector in general and rural economy in particular. Increased awareness for the pollution control and fiscal support by classification of the industry under the infrastructure sector, eligible for specific incentives, shall create atmosphere conducive to the use of alternate source of fuel.

2. Opportunities & Threats

The industry is showing healthy sign of growth. The unit being in the vicinity of the source of raw material supply and having access to the consumers around, there is scope for expansion of user base with the enhanced acceptability and convenience of use. Raw material, being biomass, is mainly prone to vagaries of monsoon. Unpredictable movement in the seasonal cycle characterized by periodical drought and/or flood conditions has adverse impact on the consistency in production. Open storage of raw material for moisture evaporation is also subject to associated risks.

3. Product wise Performance

Your Company operates only in one segment, i.e., making Bio-mass briquettes out of agriculture waste

4. Outlook

Considering buoyancy in the Indian economy and expected growth in GDP, the outlook for the Indian Industry is very bright. Your Company is expected to maintain its growth rate both in terms of improvement in manufacturing techniques by use of economic alternatives and use of efficient raw material mix to match the availability and cost.

5. Risk and Concerns

Raw Material Price risk

Alternative and more productive use of agriculture waste and its demand in other sectors can have adverse impact on the fixed price mechanism prevalent in the area together with bad monsoon characterized by lesser agriculture production and change in product preferences by the farmers. Organization and education of producing farmers can ensure availability of raw material at consistent price.

Storage Risk

Open sun drying for raw material and storage of finished product needs protection with preventive measures to safeguard its utility and the purpose. Storage for longer period of time also diminishes its utility and there being no other commercial uses, its realizable value in the market substantially drops.

Geographical Risk

Surrounding area of the factory premises is densely inhabited with residences and public utility places. If the production activity of the Company is carried out at the current factory set up, resistance of the disturbances from the neighboring agglomeration is possible.

Risk of Technology Obsolescence

Briquettes making technology and machine design is characterized by very fast advancing corrections and improvements reducing useful life of the installations at fast pace.

6. Internal Control Systems

The Company has an internal control system in place which is commensurate with the size and nature of its business. The internal control system ensures that all the assets of the Company are safeguarded from loss, damage or disposition. Checks and controls are in place to ensure that transactions are adequately authorized and recorded and that they are reported correctly. The internal control system is supplemented by an extensive program of internal audit by a firm of independent Chartered Accountants and external statutory audit which is periodically reviewed by the management and Audit Committee.

The Audit Committee of the Board regularly reviews compliance with the Company's policies, procedures and statutory requirements in consultation with the Statutory Auditors and the Internal Auditors, who also attend the Audit Committee meetings.

7. Financial Performance with respect to Operational Performance

With the change in management and for re-design of the production routines to secure enhanced operational convenience, the production, which is at halt since, 01.08.2005 is scheduled to commence on its result oriented alignment. To ensure enduring potential, realigned growth strategy is under active consideration of the management.

8. Human Resources and Industrial Relations

With the infusion of professional and pragmatic vision, labour policy is being planned to ensure retention of skill after new recruitments.

Independent Auditors' Report on Standalone Financial Statements

To
The Members of Alpha Hi-Tech Fuel Limited

Opinion

We have audited the accompanying standalone financial statements of Alpha Hi-Tech Fuel Limited (the Company), comprising the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereafter 'Standalone Ind-AS Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (hereafter 'the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, and its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities segment of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw your attention to 'Note 3' in the Standalone Ind-AS Financial Statements, which indicates that the Company has during the year incurred a loss of Rs. 70,68,833/- (Rs. 7,32,213/-) and has accumulated losses as on 31-3-2019 of Rs. 2,99,12,277/- (Rs. 2,28,43,445/-), as against a Net Worth (i.e. Capital plus other Reserves) of Rs. 3,67,85,060/- (Rs. 3,67,85,060/-), illustrating a substantial erosion in its net worth. These conditions indicate the existence of a material uncertainty that may cast a doubt on the Company's ability to continue as a going concern. Our opinion is not modified in this respect.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Fair Value of Land

The Board of Directors is of the opinion that the Fair Value of the immovable property which is the Land situated in Gujarat State, is the same as its carrying amount recorded in the books of account of the Company.

Auditor's Communication

The Board of Directors has obtained an appraisal from an approved valuer and the Fair Value stated in the appraisal is approximately similar to the carrying amount of the Land as stated in the Standalone Ind-AS Financial Statements.

Emphasis of Matter

Factory Building

We draw your attention to 'Note 11' in the Standalone Ind-AS Financial Statements, which indicates that the Company has written-off the Factory Building from the books of account. The Board of Directors are of the opinion that the factory building being in a dilapidated condition is not likely to fetch any value upon its disposal, hence the carrying amount was written off through the Other Comprehensive Income (OCI).

Receivables

We draw your attention to 'Note 14' in the Standalone Ind-AS Financial Statements, which indicates that the Company has written-off significant receivables from several parties from the books of account. The Board of Directors are of the opinion that these are not receivable, hence their carrying amounts were written off through the OCI.

Contingent Liability

We draw your attention to 'Note 2' in the Standalone Ind-AS Financial Statements, which indicates that the Company has substantial statutory dues in respect of Income tax and Sales tax, which are disputed by the Company with appropriate legal forums. In the event that these statutory dues are crystallised, the Company may not have sufficient funds to meet its obligations.

Bank Accounts

We draw your attention to 'Note 15' in the Standalone Ind-AS Financial Statements, which indicates that the three bank accounts of the Company are inoperative due to 'account freeze' instructions by the Income tax department of Dist. Surendranagar, Gujarat.

Managements' Responsibility

The Company's Board of Directors is responsible for matters stated in Section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of the said financial statements that give a true and fair view of the financial position, financial performance and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the Standalone Ind-AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2016 (CARO) issued by the Central Government of India in terms of section 143(11) of the Act, we give in 'Appendix A' a statement on the matters specified in paragraphs 3 and 4 of CARO, to the extent applicable.

As required by Section 143 (3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those book;

The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

In our opinion, the aforesaid Standalone Ind-AS Financial Statements generally comply with the applicable Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.

With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Appendix B';

With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations and extent of information given to us:

The Company has disclosed (refer Point '2' of the Standalone Ind-AS Financial Statements) the impact of pending litigations, on its financial position in its financial statements;

There were no amounts, in the opinion of the management of the Company, which were required to be transferred to the Investor Education and Protection Fund by the Company;

We are informed that the Company is not a Nidhi company, which has been relied upon.

We are informed that the transactions with related parties (refer ‘Note 5’ to the Standalone Ind-AS Financial Statements) are in compliance with sections 177 and 188 of the Act, which has been relied upon. The details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

We are informed that the Company has not entered into non-cash transactions with directors or persons connected with him, which has been relied upon.

We are informed that the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

'Appendix B' to the Independent Auditor's Report dated 12th April, 2019

Report on the Internal Financial Controls under section 143(3)(i) of the Act

We have audited the internal financial controls over financial reporting of Alpha Hi-Tech Fuel Limited (the Company), as of 31st March, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations

of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial

controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

As per the information and explanations provided to us and based on our examination of the records in accordance with the essential components of internal controls stated in the said Guidance Note, and further subject to our observations in our report of even date on the standalone financial statements and Appendix A to the said report, the Company has in all material respects, a system of internal checks on its day to day transactions which acts as an informal internal financial control system over financial reporting which, commensurate with its size and the nature of its business is adequate and operating effectively as at 31st March, 2019.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

Corporate Information

Alpha Hi-Tech Fuel Limited (“the Company”) is engaged in manufacture of Bio-Mass Briquettes out of Agriculture waste.

The company is a public limited company incorporated and domiciled in India and has its registered office at Station Road, Lakhtar, Dist. Surendranagar, Gujarat - 382775. The equity shares of the Company are listed on Bombay Stock Exchange Limited (BSE).

The financial statements for the year ended 31 March 2019 are approved by the Company’s Board of Directors on 12th April, 2019.

1. SIGNIFICANT ACCOUNTING POLICIES AND GENERAL NOTES FOR YEAR ENDED 31ST MARCH, 2019

Basis of preparation of Standalone Financial Statements

Basic Principles

Statement of compliance with Ind-AS

The Standalone Financial Statements (the financial statements) comply in all material aspects with Indian Accounting Standards (Ind-AS) notified under Section 133 of the Companies Act, 2013 (the Act), the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

Fair Value Evaluation

(1) Immovable Properties

In respect of the factory Land situated at Surendra Nagar, Gujarat, the management has obtained the appraisal from approved valuers and the fair value of the said immovable properties are approximately the same as their carrying amounts.

(2) Other Assets & Liabilities

The management has evaluated and assessed that the fair value of cash and cash equivalents, trade receivables, loans and advances, other receivables and assets, trade payables, borrowings and other financial liabilities, approximate their carrying amounts largely due to either their short-term nature or management perceptions based on significant unobservable inputs. Besides the foregoing, specific disclosures on fair value evaluations are provided hereafter under the relevant Note on such specific financial asset or liability.

Use of Estimates - The preparation of the financial statements requires the management to make certain accounting estimates and assumptions that affect the facts and figures reported, and the actual outcome may differ from these estimates. Revision to these estimates or the disparities between actual result and estimates are recognised in the period in which they are identified or materialised.

Method of Accounting - The financial statements are prepared under the historical cost convention, on a going concern basis, and they comply in all material aspects with the accounting principles generally accepted in India, and the relevant provisions of the Act and the prescribed Indian Accounting Standards. All revenues and expenses having a material bearing on the financial statements are generally recognised on accrual basis, and subject to the extent of determinability of these accruals and keeping the materiality concept in view. All assets and liabilities are classified into current and non-current, based on the criteria of realisation or settlement within twelve months period from the balance sheet date and other provisions of Schedule III of the Act.

Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Sales are recognized when significant risk and rewards of ownership of the goods have passed to the buyer.

Sale of goods through retail counters are recorded on receipt of sale value and issue of cash memos. Sale of goods other than retail sales, are recorded on dispatches to customers and are net of discounts and rebates but includes duties, taxes and transportation costs.

Dividends are recorded in books as and when the right to receive the same it is established. Interest received from a financial asset is recognised on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and such interest can be reliably measured.

Fixed Assets & Depreciation

The fixed assets are stated at their historical costs less accumulated depreciation and impairments and includes all direct costs until such asset is put to use. None of the fixed assets have been re-valued during the year.

The management has physically verified the tangible fixed assets during the year and no material discrepancies have been noticed on such verification.

Depreciation on tangible assets is provided on straight line method on the basis of the useful life and residual value concept, prescribed in Schedule III to the Act. In respect of additions or deletions during the year, depreciation is charged on pro-rata basis.

Tax Expense - Disclosures pursuant to Ind-AS 12 - "Income Taxes":

Current Tax - Tax expense for the period, comprising of current tax (which includes MAT) is charged to the profits for the year. Current tax is measured at the amount expected to be paid to the revenue authorities in accordance with the prevailing tax laws. Minimum alternate tax (MAT), if paid, is recognised as an asset only when and to the extent there is reasonable certainty that the Company shall pay income taxes under regular provisions of the tax laws.

Deferred Tax - The Company computes the deferred tax liability is recognised in respect of income taxes payable in future periods, on account of taxable temporary differences arising out of differences that will result in taxable amounts in determining taxable profits (or loss) of future periods when carrying amount of asset or liability is recovered or settled. Deferred tax asset is recognised in respect of income tax recoverable in future periods, on account of deductible temporary differences, arising out of differences that will result in amounts that are deductible in determining taxable profits (losses) of future periods, when carrying amount of asset or liability is recovered or settled. Deferred taxes are measured using the tax rates that have been enacted by the end of the reporting period.

The net deferred tax liability (DTL) is charged to the profits, whereas a deferred tax asset (DTA) is recognised and carried forward only to the extent there is a reasonable certainty of future taxable profits to realize such DTA. The deferred taxes impact is NIL.

Financial Risks Management Policies

The management of the Company has evaluated the various risks to which the Company is exposed to, and has formed an appropriate risk framework, which are also placed before the Audit Committee, and the disclosures pursuant to Ind-AS 32 namely, "Financial Instruments: Presentation", regarding the risk management framework are enumerated below in detail:

Liquidity Risk - is the risk of meeting the obligations pertaining to the financial liabilities of the Company. The Company's approach towards mitigating such risk is to ensure that sufficient funds are maintained to meet the financial liabilities and monitoring the same. The board directors have also undertaken to provide the required funds, in case there are insufficient funds in future to pay off any liabilities.

Market Risk - is the risk of fluctuation in the fair value of future cash flows from financial instruments due to changes in market prices. It comprises three types of risks namely, Interest Rate (fluctuation) Risk, Foreign Currency (fluctuation) Risk and Price (fluctuation) Risk. The Company's approach towards mitigating such risks is efficient predictions and monitoring, of the impact of these fluctuation on the cash flows from financial instruments. Financial instruments affected by such risks include loans, borrowings and deposits.

Credit Risk - is the risk that the counterparty shall not meet its obligations towards a financial instrument or contract, and such risk is primarily from trade receivables and other financial assets. The Company's approach towards mitigating such risks is efficiently evaluating and monitoring the credit worthiness of counterparties and impairment analysis of financial assets

Earnings Per Share - Disclosure pursuant to Ind-AS 33 - "Earnings Per Share":

EPS is calculated by dividing the net profit available for appropriation by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted EPS, the aforesaid weighted average number of equity shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares outstanding during the period.

Contingent Liability

All disputed and/or contingent liabilities are either provided for or disclosed as such, on the basis of mutual acceptances or depending on the management's perception of its potential outcome. The management has taken adequate steps to provide sufficiently for all known, anticipated or contingent liabilities.

Cash Flow Statement - Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

Company has financial assets and liabilities, however the Income and Asset criteria specified under the 'Non-Banking Financial or Investment Company (NBFC)' Regulations issued by the Reserve Bank of India (RBI), is not satisfied as stipulated in the said regulations. In light of the foregoing, the Company is not required to be registered as a 'Non-Banking Financial or Investment Company (NBFC)' under the Reserve Bank of India Act, 1934, in the opinion of the Board of Directors of the Company.

Books of Account

The balances of receivables and payables are subject to third party confirmations. The management has taken adequate steps to provide sufficiently for all known and anticipated liabilities. All the liabilities and assets, are approximately of the value stated in the accounts are payable or realisable in the ordinary course of business. Certain other old credit balances and debit balances in the accounts are retained, as in the opinion of the management these are payable or receivable as the case may be.

In respect of certain payments made for expenses or otherwise where, the payees' acknowledgements and/or other supporting evidences of payments were not available for our verification, the management confirms the propriety of the payments and of the debits given to the respective account heads. None of the revenue expenses are capitalised during the year or vice versa.

Segmental Information - Disclosures pursuant to Ind-AS 108 namely "Operating Segments", is not applicable as the board of directors is of the opinion that the Company presently operates significantly in only a single revenue segment comprising Bio-Mass Briquettes Manufacturing out of Agriculture waste.

Foreign Currency Transactions - The Company has not entered into any foreign currency transactions during the year.

Prior Period Items - The Company follows the accrual system of accounting, but provision for expenses is made on the basis of the materially concept and where ever ascertainable.

Retirement Benefits - The management of the Company is of the opinion that provisions for employees retirement benefits are not required to be made.

Subsequent Events - The management is of the opinion that, all events occurring after the balance sheet date up to the date of adoption of the financial statements (if any), having a material bearing on the financial position, are considered while preparing the financial statements.
